Terms and Conditions

We will be pleased to accept animals for boarding on the following basis:

1. All dogs must be inoculated and have the necessary annual booster injections against Hard Pad, Distemper, Leptospirosis, a Parvo-Virus and Kennel Cough – all must have been administered within the last 12 months and no later than 14 days prior to arrival.
2. All cats must be inoculated and have the necessary annual booster injections against Feline Infectious Enteritis and Cat Flu – all must have been administered within the last 12 months and no later than 14 days prior to arrival.
3. A valid and up-to-date certificate from the vet must be produced upon arrival or unfortunately we will have to refuse to take the dog/cat, as we must protect boarding animals within our care.
4. If a valid vaccination document is not produced then we reserve the right to:
 - a. refuse to take the pet until you return with the required documentation,
 - b. ask you to call your vets from your mobile phone so we can speak to them to clarify vaccination status.
5. In the event of injury to or illness of a cat or dog, Partridge Farm will instruct your designated veterinary surgeon first or use the services of our own appointed vet. Vets fees incurred as a result of any illness, will be the responsibility of the owner(s).
6. In the event of injury or illness of any animal that is not a cat or dog, a veterinary surgeon may be called in. All costs incurred in this connection and in the carrying out of his instructions, shall be at the owner's expense.
7. The animal's owner accepts and agrees that whilst every care and attention is given to the animal/s, they are accepted by Partridge Farm at the owner's risk. Also, belongings such as toys, blankets, beds, leads, collars, feeding bottles, bowls, carriers and cages are also left at the owner's risk – please put in bag with labels.
8. When a booking is made, a fixed date on which the owner will collect the animal will be agreed. If the owner wishes to collect the animal before that date, they may do so but will remain liable to pay boarding fees up to the agreed collection date.
9. All rates are daily – boarding fees will be charged at prevailing rate at time of departure. Owners must settle their accounts in full before the animal is removed.
10. PLEASE NOTE: Christmas Day, Boxing Day, New Year's Day and all other Bank Holiday rates may vary please check at time of booking.
11. No booking shall be fully accepted until a £20 per animal per week deposit has been received by Partridge Farm. Deposits are non-refundable.
12. Extra charges may apply for administration of any medication. Please contact us to discuss further.
13. If a booking is cancelled or altered, deposits may be transferred providing space is available.
14. If any animal is left for seven days beyond the booked departure date without contact from the owner or a representative the animal will be deemed abandoned – we will then follow the procedure to rehome or relocate the animal to a rescue centre. All boarding fees and other costs will remain the responsibility of the owner.
